4.1.3 Details of classrooms and seminar halls with ICT-enabled facilities such as smart boards, LMS, etc.

The Information and Communication Technologies (ICT) and its infrastructure support have become an integral part of our existence and learning experiences in all aspects of life. The use of Information & Communication Technology (ICT) is a valuable tool to enhance the learning experience and accessing resources. ICT enabled Classrooms and Seminar Halls are the places where the effective teaching learning takes place. Provision for usage of modern teaching tools and techniques is available in all classrooms which will enhance the skills and knowledge of the students.
