More specific towards students requirements and health , more sports activities and involvement of counselling sessions
Canteen food , network issue , tecehrs politeness towards students
Keep the exam's online after taking whole year online suddenly you informed us about the offline exams it's just impossible to study in just short time and that too after a gap of 2 years it's just scary seeing the notes and the length of the answers it's a humble request don't keep offline exams think about each and every student how they are going through while studying it's very difficult and stressful task to study for offline exams please keep the exam's in online mode
more friendly and helpful staff, crowd management in canteen, making students aware about Gymkhana and other facilities so that they can avail them.
Nthg
Service of the canteen.

Attitude of canteen people towards the students

It is perfect

please install student wifi bc it gets difficult to join online if required. the network is terrible.

About the washrooms and water availability mainly

1. Washroom

Focusing more on practical knowledge. Increase the number of placements. Try to arrange more event's.

Washrooms are very unhygienic, We want to join committees/sports but some of them don't get back to us and opportunities of Participation in main events is quite low for us

I haven't attended college much in last 3 years .. so I don't have much idea.

- 1) Clean Classrooms, common spaces and functioning Toilets
- 2) Lack of network facilities, especially if students have to join lectures online.
- 3) Lack of Dustbins in every classroom

Washrooms, network problem

- 1) As GPA score is important for higher education, college should set papers and give marks accordingly, so that maximum students from our college will become eligible for higher studies.
- 2) Placement opportunities can be improved.

In some toilets there is no water facilities The garden near ground is dried Coach for sports in college

Cleanliness in washrooms, proper circulation of notices regarding sports and cultural events, behaviour of the canteen staff(new ones)

1) washrooms and toilet cleanliness 2) lack of dustbins in classrooms

Canteen Toilets College ground

Cleanliness in washroom

- 1. The infrastructure of college .
- 2. No internet connectivity inside college.

Network availability for students, variety of food available in the canteen (due to covid the food items are reduced), some of the teachers.

All the fests and other things should be informed to the students earlier so that we can participate

Lectures

Teachers attitude, ventilation in some of the classrooms

RENOVATIONS of building its looks dull

SPORT ACTIVITIES to be needed

REPLACEMENT of commode ,urinal basin & pipes of it , need hand soap near basin , mirrors to be needed in toilet

Gymkhana doesn't have equipment like strikers, bats and various stuff

Lack of events held, few placements

Classroom maintainance

Few facultys teaching methods need attention. Washroom maintenance can be better.

Quality of canteen Frankie's can be improved.

Placements, washrooms should be clean

Please conduct more webinars on career guidance. More events should be organised for participation.

Kuch notice ho toh please jaldi bataye... Kabhi online bolte hai kabhi offline.... Exams ke 10 days pahele students ko pressurise karte hai... Kuch kuch teachers specific notes bhi nahi dete and padhate samay aisa lagta book se read kar rahe hai and board par likh kar ache se samjhana toh pata hi nahi teachers ko... Majak bana diye education system ko... Unhe khudko hi book me dekhne ki zaroorat padthi hai padhaane ke liye toh hame kaise ready kar sakte hai yeh log future ke liye...!!!!! Classroom me board use karne ke liye hota hai.. Shayad kuch teachers bhool gaye hai..!!!

Note: This is only for the improvement... Please Donot take it negatively..!!

Grounds stage, drinking water

The washrooms except the one on ground floor, aren't very hygienic and sometimes don't have regular water supply.

- 1.As many students as possible should be made to participate in the activities of the college and make them aware of their artistic talents.
- 2. Students should be taught different things by organizing different kinds of small activities in the classroom and teachers should share different good experiences with the students.
- 3. Teachers should encourage students to read of many great people's books In the Library.

No need is excellent. Timing Crowd Some fixtures in washroom Toilets cleanliness, canteen food, Attitude of the staff 1.Canteen food Cleanliness of the washrooms. Classroom infrastructure. Attitude of the office and Library staff. Garden around Campus Gymkhana Play Ground Cleanliness, canteen staff, office staff 1. The college needs to look after the canteen services (especially the staff) because sometimes they are a little rude. 2. There should be clean common water facilities where students should be able to refill their water bottles. 3. A little cleanliness in the classroom. Infrastructure There is nothing to improve everything is good Cleanliness, drinking water Promoting Sport Tournaments would be really greatful. Experienced professors having good knowledge of subject for few subjects and polite behaviour towards students Extra sitting arrangement in canteen More sports event More focus on infrastructure Everything is fine Washroom cleanliness

Nothing, the college is good in almost all terms.

No improvement is required as the college is best

Cleaning
late communication of notices, washroom hygiene
A lot of lectures get canceled so that should be looked after
Timely redressal of problems
Cleanness
More extracurricular activities and volunteering for it
