# ABOUT

## SCI-FEST[2023-24]

Vaze Kelkar College has been consistently working in the field of education for overall development of youth and providing opportunities and encouragement all section of society and thus contributing to nation building.

Sci-fest is an endeavor towards achieving this goal, Sci-fest aims to create interest so as kindle fire in them to understand working of universe. Hands on training is provided to students to develop their skill of handling instruments.

Every year 25 schools participate in this program from the area Like Mulund, Thane Airoli, Bhandup, Dombivili and Kalyan. This program comprises sessions on various topic, learning activities, projects, poster competition, documentary and visit to advance laboratory. This will help students to develop their cognitive abilities, inculcate a passion for science and technology as well as promote critical thinking, problem solving skill and time management.
