### Introduction to National Education Policy

The National Education Policy 2020 (NEP) has been formulated in response to the need to harness full human potential and develop well-rounded competent individuals by providing the right environment to enable access to inclusive and equitable quality education. Such education should have provision for lifelong learning, awareness of new areas of knowledge, skilling to meet industrial demands for economic development, multidisciplinary studies to develop a comprehensive view of issues from a realistic paradigm, holistic approach to education, rootedness to the cultural ethos and moral values, cultivating scientific temperament and problem-solving attitude. The policy also focuses on promoting critical thinking, innovation and creativity to enable the use and promotion of higher order thinking skills. Indeed, NEP is set to revolutionize the education system in the country right from school to higher education.

The Kelkar Education Trust's Vinayak Ganesh Vaze college of Arts, Science and Commerce, (Autonomous), Mulund (E), Mumbai is taking steps to bring the desired transformation in higher education by implementing NEP from the academic session 2023-24. After rigorous research a common undergraduate curriculum framework was formulated and has been further fine-tuned keeping in view. The true spirit of NEP in terms of providing multidisciplinary and holistic education with the rooting in culture and ethos of the nation and emphasizes on research, skill development and higher order thinking skills to promote innovation and employability.

The Undergraduate Curriculum Framework (UGCF) is meant to bring about systemic change in the higher education system and align itself with the National Education Policy 2020.

The following objectives of NEP are kept in perspective while framing UGCF:

- To promote holistic development of learners having the world view of a truly global citizen;
- To provide flexibility to learners so that learners can choose their learning trajectories and programmes, and thereby choose their paths in life according to their talents and interests;
- To eliminate harmful hierarchies among disciplines/fields of study and silos between different areas of learning;
- Multidisciplinary and holistic education to ensure the unity and integrity of all knowledge;
- To promote creativity and critical thinking and to encourage logical decision-making and innovation;
- To promote ethics and human & constitutional values
- To promote multilingualism and the power of language in learning and teaching;
- To impart life skills such as communication, cooperation, teamwork, and resilience;
- To promote outstanding research as a co requisite for outstanding education and development;

**Definitions, Eligibility, and Duration of the Programme**

**Semester/Credits:** A semester comprises 90 working days and an academic year is divided into two semesters.

**Types of Course**

**(A) Major (Core) Subject comprising Mandatory and Elective Courses:**

- Major discipline is the discipline or subject of the main focus, and the degree will be awarded in that discipline. Learners should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.
- Major and Minor Paper will be the same for sem-I and sem-II (Arts & Science).
- Elective courses of Major will be offered in the third and/or final year.
- Vocational Skill Courses, Internship/ Apprenticeship, Field Projects, Research Projects related to Major will be offered.

**KET'S V.G. VAZE COLLEGE (AUTONOMOUS)  
SFC PROSPECTUS 2024-2025**

**(B) Minor Subject (18 Credits)**

- The Minor subjects may be from the different disciplines of the same faculty of DSC Major (Core) or they can be from different faculties altogether.
- The credits of Minor subjects shall be completed in the first three years of UG Programme

**Open Elective Courses (OE): 12 credits**

It will be offered in I and/or II year

Faculty-wise baskets of OE shall be prepared by the Colleges.

OE is to be chosen compulsorily from faculty other than that of the Major.

**Vocational and Skill Enhancement Courses (VSEC): 16 credits**

**1. Vocational Skill Courses (VSC): including Hands on Training corresponding to the Major and/or Minor Subject: 10 credits**

- ▣ Will be offered in first three years;
- ▣ Wherever applicable vocational courses will include skills based on advanced laboratory practicals of Major

**Skill Enhancement Courses (SEC): 06 credits**

- ▣ Will be offered in I and II year;
- ▣ To be selected from the basket of Skill Courses approved by the Colleges

**Ability Enhancement Courses (AEC), Indian Knowledge System (IKS) and Value Education Courses (VEC): 14 Credits**

**1. Ability Enhancement Courses (AEC): 08 Credits**

- ▣ AEC will be offered in First and Second year
- ▣ English: 04 Credits
- ▣ Modern Indian Language (MIL): 04 credits
- ▣ MIL will be offered from the Basket approved by the College;
- ▣ The focus for both languages should be on linguistic and communication skills.

**2. Indian Knowledge System (IKS): 2 Credits**

- ▣ IKS will be offered in First Year
- ▣ Courses on IKS to be selected from the basket of IKS courses approved by the Colleges

**3. Value Education Courses (VEC): 04 Credits**

- VEC will be offered in First year

- Value Education Courses (VEC) such as Understanding India, Environmental Science/Education, and Digital and Technological Solutions.

Field Projects/ Internship/ Apprenticeship/ Community Engagement and Service corresponding to the Major (Core) Subject, Co-curricular Courses (CC) and Research Project

Internship/Apprenticeship corresponding to the Major (Core) Subject: 8 Credits

Field Projects/Community Engagement and Service corresponding to the Major (Core) Subject.

Will be offered in Second, and Third years of UG Degree Programmes: 4 credits

Co-curricular Courses (CC) such as Health and Wellness, Yoga education sports, and fitness, Cultural Activities, NSS/NCC and Fine/ Applied/Visual/ Performing Arts: 8 credits

Co-curricular Courses will be offered in First and/or Second year

Research Projects: 12 credits

- ▣ Research Project will be offered in the final year for 4-year Honours with Research UG Degree.
- ▣ The UGC Regulations, 2021 permit up to 40% of the total courses being offered in a particular programme in a semester through the Online Learning Courses offered through the SWAYAM platform and/or other State Level Common Platforms which can be developed in due course with the participation of different Universities/ HEIs.

Awarding UG Certificate, UG Diploma, and Degrees

- ▣ UG Certificate: Learners who opt to exit after the first year and have secured 44 credits will be awarded a UG certificate if they complete one vocational course of 4 credits during the summer vacation of the first year. These learners are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven years.
- ▣ UG Diploma: Learners who opt to exit after completion of the second year and have secured 88 credits will be awarded the UG diploma if, in addition, they complete one vocational course of 4 credits during the summer vacation of the second year. These 10 Curriculum and Credit Framework for Undergraduate Programmes learners are allowed to re-enter within a period of three years and complete the degree programme within a maximum period of seven years.
- ▣ 3-year UG Degree: Learners who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years, securing 132 credits and satisfying the minimum credit requirement.
- ▣ 4-year UG Degree (Honours): A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 172 credits and have satisfied the credit requirement.

**KET'S V.G. VAZE COLLEGE (AUTONOMOUS)**  
**SFC PROSPECTUS 2024-2025**

- ▣ 4-year UG Degree (Honours with Research): Learners who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a college faculty member. The research project/dissertation will be in the major discipline. The learners who secure 160 credits, including 12 credits from a research project/dissertation, are awarded UG Degree (Honours with Research).
- ▣ UG Degree Programmes with Single Major: A learner must secure a minimum of 50% credits from the major discipline for the 3-year/4-year UG degree to be awarded a single major. For example, in a 3-year UG programme, if the total number of credits to be earned is 132, a learner of Physics with a minimum of 60 credits will be awarded a B.Sc. in Physics with a single major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 176, a learner of Physics with a minimum of 80 credits will be awarded a B.Sc. (Hons. /Hon. With Research) in Physics in a 4-year UG programme with a single major.
- ▣ UG Degree Programmes with Double Major: A learner must secure a minimum of 40% credits from the second major discipline for the 3-year/4-year UG degree to be awarded a double major. For example, in a 3-year UG programme, if the total number of credits to be earned is 132, a learner of Physics with a minimum of 48 credits will be awarded a B.Sc. in Physics with a double major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 176, a learner of Physics with a minimum of 64 credits will be awarded a B.Sc. (Hons. /Hon. With Research) in Physics in a 4-year UG programme with double major.

***Credit hours for different types of courses***

The workload relating to a course is measured in terms of credit hours. A credit is a unit by which the coursework is measured. It determines the number of hours of instruction required per week over a semester (minimum 15 weeks).

Each course may have only a lecture component or a lecture and tutorial component or a lecture and practicum component or a lecture, tutorial, and practicum component, or only a practicum component. For example, a three-credit lecture course in a semester means three one-hour lectures per week with each one-hour lecture counted as one credit. In a 15-week semester, a three-credit lecture course is equal to 45 hours of teaching. One credit for tutorial work means one hour of engagement per week. In a semester of 15 weeks duration, a one-credit tutorial in a course is equivalent to 15 hours of engagement.

A one-credit course in practicum or lab work, community engagement and services, and fieldwork in a semester means two-hour engagement per week. In a semester of 15 weeks duration, a one-credit

**KET'S V.G. VAZE COLLEGE (AUTONOMOUS)**  
**SFC PROSPECTUS 2024-2025**

practicum in a course is equivalent to 30 hours of engagement. A one-credit of Seminar or Internship or Studio activities or Field practice/projects or Community engagement and service means two-hour engagements per week. Accordingly, in a 15-week semester, one credit in these courses is equivalent to 30 hours of engagement.

A course can have a combination of lecture credits, tutorial credits, and practicum credits. For example, a 4-credit course with three credits assigned for lectures and one credit for practicum shall have three 1-hour lectures per week and one 2-hour duration field-based learning/project or lab work, or workshop activities per week. In a 15-week semester, a 4-credit course is equal to 45 hours of lectures and 30 hours of practicum. Similarly, a 4-credit course with 3-credits assigned for lectures and one credit for tutorial shall have three 1-hour lectures per week and one 1-hour tutorial per week. In a 15-week semester, a four-credit course is 45 hours of lectures and 15 hours of tutorials.

The following types of courses/activities constitute the programmes of study. Each of them will require a specific number of hours of teaching/guidance and laboratory/studio/workshop activities, field-based learning/projects, internships, and community engagement and service.

- ▣ Lecture courses: Courses involving lectures relating to a field or discipline by an expert or qualified personnel in a field of learning, work/vocation, or professional practice.
- ▣ Tutorial courses: Courses involving problem-solving and discussions relating to a field or discipline under the guidance of qualified personnel in a field of learning, work/vocation, or professional practice.
- ▣ Practicum or Laboratory work: A course requiring learners to participate in a project or practical or lab activity that applies previously learned/studied principles/theory related to the chosen field of learning, work/vocation, or professional practice under the supervision of an expert or qualified individual in the field of learning, work/vocation or professional practice. 13 University Grants Commission 13
- ▣ Seminar: A course requiring learners to participate in structured discussion/conversation or debate focused on assigned tasks/readings, current or historical events, or shared experiences guided or led by an expert or qualified personnel in a field of learning, work/vocation, or professional practice.
- ▣ Internship: A course requiring learners to participate in a professional activity or work experience, or cooperative education activity with an entity external to the education institution, normally under the supervision of an expert of the given external entity. A key aspect of the internship is induction into actual work situations. Internships involve working with local industry, government or private organizations, business organizations, artists, crafts persons, and similar entities to provide opportunities for learners to actively engage in on-site experiential learning.

**KET'S V.G. VAZE COLLEGE (AUTONOMOUS)  
SFC PROSPECTUS 2024-2025**

- ▣ Studio activities: Studio activities involve the engagement of learners in creative or artistic activities. Every learner is engaged in performing a creative activity to obtain a specific outcome. Studio-based activities involve visual- or aesthetic focused experiential work.
- ▣ Field practice/projects: Courses requiring learners to participate in field-based learning/projects generally under the supervision of an expert of the given external entity.
- ▣ Community engagement and service: Courses requiring learners to participate in field-based learning/projects generally under the supervision of an expert of the given external entity. The curricular component of 'community engagement and service' will involve activities that would expose learners to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems.

***Eligibility for the UG Programmes***

Senior Secondary School Leaving Certificate or Higher Secondary (12th Grade) Certificate obtained after successful completion of Grade 12 or equivalent stage of education corresponding to Level-4

**Duration of the Programme**

- ▣ The duration of the UG programme is 4 years or 8 semesters.
- ▣ Learners who desire to undergo a 3-year UG Programme will be allowed to exit after completion of the 3rd year.
- ▣ If a learner wants to leave after the completion of the first or second year, the learner will be given a UG Certificate or UG Diploma, respectively, provided they secure the prescribed number of credits.
- ▣ Learners who exit with a UG certificate or UG diploma are permitted to re-enter within three years and complete the degree programme.
- ▣ Learners may be permitted to take a break from the study during the period of study but the total duration for completing the programme shall not exceed 7 years

***Structure of the Undergraduate Programme***

The UG programme will consist of the following categories of courses and the minimum credit requirements for 3-year UG and 4-year UG (Honours) or UG (Honours with Research) programmes are given below:

Note: Honours learners not undertaking research will do 3 courses for 12 credits in lieu of a research project / Dissertation.

***Curricular components of the undergraduate programme***

▣ **Disciplinary/interdisciplinary major:** The major would provide the opportunity for a learner to pursue in-depth study of a particular subject or discipline. Learners may be allowed to change majors within the broad discipline at the end of the second semester by giving her/him sufficient time to explore interdisciplinary courses during the first year. Advanced-level disciplinary/interdisciplinary courses, a course in research methodology, and a project/dissertation will be conducted in the seventh semester. The final semester will be devoted to seminar presentation, preparation, and submission of project report/dissertation. The project work/dissertation will be on a topic in the disciplinary programme of study or an interdisciplinary topic.

▣ **Disciplinary/interdisciplinary minors:** Learners will have the option to choose courses from disciplinary/interdisciplinary minors and skill-based courses relating to a chosen vocational education programme. Learners who take enough courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline or in the chosen interdisciplinary area. A learner may declare the choice of the minor and vocational stream at the end of the second semester, after exploring various courses.

▣ **Courses from Other Disciplines (Open electives):** All UG learners must undergo 3 introductory-level courses relating to any of the broad disciplines below. These courses are intended to broaden the intellectual

experience and form part of liberal arts and science education. Learners are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) in the proposed major and minor stream under this category.

▣ **Ability Enhancement Courses (AEC) (08 credits): Modern Indian Language (MIL) & English language focused on language and communication skills.** Learners are required to achieve competency in a Modern Indian Language (MIL) and in the English language with special emphasis on language and communication skills. The courses aim at enabling the learners to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help learners articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. They would also enable learners to acquaint themselves with the cultural and intellectual heritage of the chosen MIL and English language, as well as to provide a reflective understanding of the structure and complexity of the language/literature related to both the MIL and English language. The courses will also emphasize the development and enhancement of skills such as communication, and the ability to participate/conduct discussion and debate.

**Vocational/ Skills Enhancement Courses (VSEC):** These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of learners. The institution may design courses as per the learners' needs and available institutional resources.

***Value-Education Courses (VEC)***

**1.Understanding India:**

The course aims at enabling the learners to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among learner-teachers of the Indian knowledge systems, the Indian education system, and the roles and obligations of teachers to the nation in general and to the school/community/society. The course will attempt to deepen knowledge about and understanding of India's freedom struggle and of the values and ideals that it represented to develop an appreciation of the contributions made by people of all sections and regions of the country, and help learners understand and cherish the values enshrined in the Indian Constitution and to prepare them for their roles and responsibilities as effective citizens of a democratic society.

**KET'S V.G. VAZE COLLEGE (AUTONOMOUS)**  
**SFC PROSPECTUS 2024-2025**

**2. Environmental science/education:**

The course seeks to equip learners with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change, and pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. The course will also deepen the knowledge and understanding of India's environment in its totality, its interactive processes, and its effects on the future quality of people's lives.

**3. Digital and technological solutions:**

Courses in cutting-edge areas that are fast gaining prominences, such as Artificial Intelligence (AI), 3-D machining, big data analysis, machine learning, drone technologies, and Deep learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.

**4. Health & Wellness, Yoga education, sports, and fitness:**

Course components relating to health and wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual, and environmental well-being of a person. Sports and fitness activities will be organized outside the regular institutional working hours. Yoga education would focus on preparing the learners physically and mentally for the integration of their physical, mental, and spiritual faculties, and equipping them with basic knowledge about one's personality, maintaining self-discipline and self-control, to learn to handle oneself well in all life situations. The focus of sports and fitness components of the courses will be on the improvement of physical fitness including the improvement of various components of physical and skills-related fitness like strength, speed, coordination, endurance, and flexibility; acquisition of sports skills including motor skills as well as basic movement skills relevant to a particular sport; improvement of tactical abilities; and improvement of mental abilities.

**5. Research Project / Dissertation**

Learners choosing a 4-Year bachelor's degree (Honours with Research) are required to take up research projects under the guidance of a faculty member. The learners are expected to complete the Research Project in the eighth semester. The research outcomes of their project work may be published in peer-reviewed journals or may be presented in conferences /seminars or may be patented.

## **Bachelor of Science in Biotechnology:**

**Bachelor of Science in Biotechnology affiliated to University of Mumbai.**

### **Course Objectives:**

- The Job Training is made compulsory, enabling the students to comprehend the curriculum with the user sector practices.
- To provide Skills for Self-Employment
- To train Students to suit the industry requirements
- To establish Industry-Academic interface

### **Guidelines for Eligibility**

A candidate for being eligible for admission to the Three-Year Integrated course leading to the degree of Bachelor of Science (B.Sc.) must have passed Higher Secondary School Certificate Examination (Std. XII) in science conducted by the Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent in science stream. Admission will be on merit, based on order of preference as follows:

- Aggregate Marks at H.S.C. or equivalent.
- Aggregate Marks in Science Group (Physics, Chemistry and Biology).
- Marks in Biology and Chemistry.
- Marks in Biology.

A candidate who has not offered Mathematics and Statistics as one of the Subjects at H.S.C. (Std.XII) shall have to satisfactorily complete a course on Mathematics and Statistics (of 15 hours duration) during the academic year of First Year B.Sc. in which he is admitted of Eligibility and Migration before the close of the academic term in which the candidate is provisionally admitted to the University. Application forms of candidates from other Universities will not be accepted if they are not accompanied by a provisional Certificate of Eligibility. Similarly, the Transfer Certificate will have to be produced by the candidate wherever necessary.

If a candidate fails to obtain the Final Certificate of Eligibility / Migration Certificate / Transfer Certificate before the close of the academic term, in which he/she is provisionally admitted to the University, his/her admission to the Department/College and his/her attendance at lectures during the term are liable to be canceled.

**Bachelor of Science in Information Technology:**

**Bachelor of Information Technology Mumbai University Degree Course. Degree Course: Admission to F.Y. BSc. Information Technology**

BSc Information Technology Course is an integrated Three-Year BSc Degree Course Divided into Six Semesters.

**Course Objectives:**

- To synergize information Technology with all its ramifications.
- The focus of the program is IT and Management of IT
- The program contents are Theory and Practical oriented. Students will have to exert more in order to grasp the skills and concepts.
- Excellent facilities are provided for the Practical on Computer related subjects. There are two state-of-the-art Info-Tech Laboratories
- Experts from industry and academic institutions are invited to support the teaching of IT courses.
- A Continuous Evaluation process through Assignments, Tutorials, and Periodic Tests is implemented.

**Post Graduate Diploma in Perfumery & Cosmetics Management (PGDPCM)  
(Affiliated to University of Mumbai) Recognized by the UGC as an Innovative Program.**

**Goals and Objectives:** The main objective of the program is development of directly employable manpower – middle level technical and managerial – for the fast growing cosmetic and perfumery industry in India and abroad.

The Perfumery and Cosmetology course, is the first of its kind in India where Perfumery and Cosmetic Science & Commerce is taught under one roof. It is a niche area where there is no integrated industry recognized training programs or courses in the country. The skilled personnel are imported from other countries or the industry spends huge funds for training programs.

The Curriculum of the courses will give a dual competence to the students by imparting technical know-how as well as managerial training required by the perfumery and cosmetology industry.

The students are thoroughly acquainted with the classical as well as applied approach to both the techniques. Every theoretical detail will be supplemented by hands-on practical training. On the other hand, the management training engineers the persons into proactive managers. As a result, the students emerge as excellent management executives with adequate knowledge of the product in hand and the industrial manufacturing process.

PGDPCM, programs envisage short term Certificate Courses on topics like Herbal Cosmetics, Safety Testing, Efficacy Testing, Clinical Trial Procedures, Fragrance Application, Soaps and Detergents, Toiletries, Aroma Therapy etc at a later stage.

### **B VOC in TOURISM AND HOSPITALITY**

The University Grants Commission (UGC) had launched a scheme for Skill Development in higher education, leading to a three-year Bachelor of Vocation (BVoc) degree with multiple exits. Designed by The Kelkar Education Trust's V.G. Vaze College (Autonomous), the BVoc program is focused on Undergraduate studies which incorporate specific job roles along with general education, oriented towards employment opportunities in the Tourism and Hospitality sector.

#### **OBJECTIVES OF THE PROGRAMME**

- To provide skills for self-employment or ready employability.
- To train students to suit the user industry requirement.
- To apply high technology methods of teaching and training
- To establish industry-curriculum interface for mutual advantage

#### **Eligibility:**

FY B VOC - 12th in any stream or equivalent (in this case the decision remains in college administration).

#### **Duration:**

The duration of the BVoc (Tourism and Hospitality) programme is 3 years (6 semesters). After completion of Semester I students will be awarded a certificate, after passing of Semester II students will qualify for Diploma, on completion of 4 semesters the student will qualify for

**KET'S V.G. VAZE COLLEGE (AUTONOMOUS)**  
**SFC PROSPECTUS 2024-2025**

Advanced Diploma and after completing VI semesters the student will be awarded B.Voc Degree (NSQF LEVELS 4,5,6 & 7 respectively).

**Syllabus:**

The syllabus consists of General Components and Skill Component papers from Semester I to Semester VI. General Components have 40% weightage of credits in each of the 6 semesters. The General education components include the curriculums of normal university standards (University of Mumbai in this case).

The syllabus of Skill Component in each semester is aligned to the Qualification Packs of the selected job roles in the Tourism and Hospitality sector. This curriculum is as per National Occupational Standards (NOS) defined by the Sector Skill Council, India (Nodal agency for Skill Development under the HRD ministry-now Ministry of Education).

Both the general component and Skill Component attempt to provide holistic development of the students.

The program structure includes-

- Language studies
- Soft skills and personality development programmes
- Projects for industry preparedness
- Internship
- Study tours
