Introduction to National Education Policy

The National Education Policy 2020 (NEP) has been formulated in response to the need to harness full human potential and develop well-rounded competent individuals by providing the right environment to enable access to inclusive and equitable quality education. Such education should have provision for lifelong learning, awareness of new areas of knowledge, skilling to meet industrial demands for economic development, multidisciplinary studies to develop a comprehensive view of issues from a realistic paradigm, holistic approach to education, rootedness to the cultural ethos and moral values, cultivating scientific temperament and problem- solving attitude. The policy also focuses on promoting critical thinking, innovation and creativity to enable the use and promotion of higher order thinking skills. Indeed, NEP is set to revolutionize the education system in the country right from school to higher education.

The Kelkar Education Trust's Vinayak Ganesh Vaze college of Arts, Science and Commerce, (Autonomous), Mulund (E), Mumbai is taking steps to bring the desired transformation in higher education by implementing NEP from the academic session 2023-24. After rigorous research a common undergraduate curriculum framework was formulated and has been further fine-tuned keeping in view. The true spirit of NEP in terms of providing multidisciplinary and holistic education with the rooting in culture and ethos of the nation and emphasizes on research, skill development and higher order thinking skills to promote innovation and employability.

The Undergraduate Curriculum Framework (UGCF) is meant to bring about systemic change in the higher education system and align itself with the National Education Policy 2020.

The following objectives of NEP are kept in perspective while framing UGCF:

➢ To promote holistic development of learners having the world view of a truly global citizen;

➢ To provide flexibility to learners so that learners can choose their learning trajectories and programmes, and thereby choose their paths in life according to their talents and interests;

➢ To eliminate harmful hierarchies among disciplines/fields of study and silos between different areas of learning;

➢ Multidisciplinary and holistic education to ensure the unity and integrity of all knowledge;

➢ To promote creativity and critical thinking and to encourage logical decision-making and innovation;

➢ To promote ethics and human & constitutional values

➢ To promote multilingualism and the power of language in learning and teaching;

➢ To impart life skills such as communication, cooperation, teamwork, and resilience;

➢ To promote outstanding research as a co requisite for outstanding education and development;

➢ To incorporate Indian knowledge system relevant for a particular discipline or field of studies.

They should do a research project or dissertation under the guidance of a college faculty member. The research project/dissertation will be in the major discipline. The learners who secure 160 credits, including 12 credits from a research project/dissertation, are awarded UG Degree (Honours with Research).

- UG Degree Programmes with Single Major: A learner must secure a minimum of 50% credits from the major discipline for the 3-year/4-year UG degree to be awarded a single major. For example, in a 3-year UG programme, if the total number of credits to be earned is 132, a learner of Physics with a minimum of 60 credits will be awarded a B.Sc. in Physics with a single major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 176, a learner of Physics with a minimum of 80 credits will be awarded a B.Sc. (Hons. /Hon. With Research) in Physics in a 4-year UG programme with a single major.

- UG Degree Programmes with Double Major: A learner must secure a minimum of 40% credits from the second major discipline for the 3-year/4-year UG degree to be awarded a double major. For example, in a 3- year UG programme, if the total number of credits to be earned is 132, a learner of Physics with a minimum of 48 credits will be 11 University Grants Commission 11 awarded a B.Sc. in Physics with a double major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 176, a learner of Physics with a minimum of 64 credits will be awarded a B.Sc. (Hons. /Hon. With Research) in Physics in a 4-year UG programme with double major.

Credit hours for different types of courses

The workload relating to a course is measured in terms of credit hours. A credit is a unit by which the coursework is measured. It determines the number of hours of instruction required per week over a semester (minimum 15 weeks).

Each course may have only a lecture component or a lecture and tutorial component or a lecture and practicum component or a lecture, tutorial, and practicum component, or only a practicum component. For example, a three-credit lecture course in a semester means three one-hour lectures per week with each one-hour lecture counted as one credit. In a 15-week semester, a three-credit lecture course is equal to 45 hours of teaching. One credit for tutorial work means one hour of engagement per week. In a semester of 15 weeks duration, a one- credit tutorial in a course is equivalent to 15 hours

of engagement.

A one-credit course in practicum or lab work, community engagement and services, and fieldwork in a semester means two-hour engagement per week. In a semester of 15 weeks duration, a one-credit practicum in a course is equivalent to 30 hours of engagement. A one-credit of Seminar or Internship or Studio activities or Field practice/projects or Community engagement and service means two-hour engagements per week. Accordingly, in a 15-week semester, one credit in these courses is equivalent to 30 hours of engagement.

A course can have a combination of lecture credits, tutorial credits, and practicum credits. For example, a 4–credit course with three credits assigned for lectures and one credit for practicum shall have three 1-hour lectures per week and one 2-hour duration field-based learning/project or lab work, or workshop activities per week. In a 15-week semester, a 4-credit course is equal to 45 hours of lectures and 30 hours of practicum. Similarly, a 4 –credit course with 3- credits assigned for lectures and one credit for tutorial shall have three 1-hour lectures per week and one 1-hour tutorial per week. In a 15-week semester, a four-credit course is 45 hours of lectures and 15 hours of tutorials.

The following types of courses/activities constitute the programmes of study. Each of them will require a specific number of hours of teaching/guidance and laboratory/studio/workshop activities, field-based learning/projects, internships, and community engagement and service.

☐ Lecture courses: Courses involving lectures relating to a field or discipline by an expert or qualified personnel in a field of learning, work/vocation, or professional practice.

☐ Tutorial courses: Courses involving problem-solving and discussions relating to a field or discipline under the guidance of qualified personnel in a field of learning, work/vocation, or professional practice.

☐ Practicum or Laboratory work: A course requiring learners to participate in a project or practical or lab activity that applies previously learned/studied principles/theory related to the chosen field of learning, work/vocation, or professional practice under the supervision of an expert or qualified individual in the field of learning, work/vocation or professional practice. 13 University Grants Commission 13

☐ Seminar: A course requiring learners to participate in structured discussion/conversation or debate focused on assigned tasks/readings, current or historical events, or shared experiences guided or led by an expert or qualified personnel in a field of learning, work/vocation, or professional practice.

☐ Internship: A course requiring learners to participate in a professional activity or

work experience, or cooperative education activity with an entity external to the education institution, normally under the supervision of an expert of the given external entity. A key aspect of the internship is induction into actual work situations. Internships involve working with local industry, government or private organizations, business organizations, artists, crafts persons, and similar entities to provide opportunities for learners to actively engage in on-site experiential learning.

❖ Studio activities: Studio activities involve the engagement of learners in creative or artistic activities. Every learner is engaged in performing a creative activity to obtain a specific outcome. Studio-based activities involve visual- or aesthetic focused experiential work.

❖ Field practice/projects: Courses requiring learners to participate in field-based learning/projects generally under the supervision of an expert of the given external entity.

❖ Community engagement and service: Courses requiring learners to participate in field-based learning/projects generally under the supervision of an expert of the given external entity. The curricular component of 'community engagement and service' will involve activities that would expose learners to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems.

Eligibility for the UG Programmes

Senior Secondary School Leaving Certificate or Higher Secondary (12th Grade) Certificate obtained after successful completion of Grade 12 or equivalent stage of education corresponding to Level-4.

Duration of the Programme

➢ The duration of the UG programme is 4 years or 8 semesters.

➢ Learners who desire to undergo a 3-year UG Programme will be allowed to exit after completion of the 3rd year.

➢ If a learner wants to leave after the completion of the first or second year, the learner will be given a UG Certificate or UG Diploma, respectively, provided they secure the prescribed number of credits.

➢ Learners who exit with a UG certificate or UG diploma are permitted to re-enter within three years and complete the degree programme.

➢ Learners may be permitted to take a break from the study during the period of study but the total duration for completing the programme shall not exceed 7 years.

Structure of the Undergraduate Programme

The UG programme will consist of the following categories of courses and the minimum credit requirements for 3-year UG and 4-year UG (Honours) or UG (Honours with Research) programmes are given below:

Table: Minimum Credit Requirements to Award Degree under Each Category

Sr. No.	Broad Category of Course	Minimum Credit Requirement	
		3-Year UG	4-Year UG
1	Mandatory	48	68-76
2	Elective	08	16
3	Minor Stream	18	18
4	Open Elective	12	12
5	Vocational Skill Courses (VSC)	10/14	10
6	Skill Enhancement Courses (SEC)	06	06

11	Co-curricular courses	08	08
12	Research Methodology	--	04
13	Research Project	--	0-12
	Total	132	176

Note: Honours learners not undertaking research will do 3 courses for 12 credits in lieu of a research project / Dissertation.

Curricular components of the undergraduate programme

Disciplinary/interdisciplinary major: The major would provide the opportunity for a learner to pursue in-depth study of a particular subject or discipline. Learners may be allowed to change majors within the broad discipline at the end of the second semester by giving her/him sufficient time to explore interdisciplinary courses during the first year. Advanced-level disciplinary/interdisciplinary courses, a course in research methodology, and a project/dissertation will be conducted in the seventh semester. The final semester will be devoted to seminar presentation, preparation, and submission of project report/dissertation. The project work/dissertation will be on a topic in the disciplinary programme of study or an interdisciplinary topic.

Disciplinary/interdisciplinary minors: Learners will have the option to choose courses from disciplinary/interdisciplinary minors and skill-based courses relating to a chosen vocational

education programme. Learners who take enough courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline or in the chosen interdisciplinary area. A learner may declare the choice of the minor and vocational stream at the end of the second semester, after exploring various courses.

Courses from Other Disciplines (Open Electives): All UG learners must undergo 3 introductory-level courses relating to any of the broad disciplines below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Learners are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) in the proposed major and minor stream under this category.

Ability Enhancement Courses (AEC) (08 credits): Modern Indian Language (MIL) & English language focused on language and communication skills. Learners are required to achieve competency in a Modern Indian Language (MIL) and in the English language with special emphasis on language and communication skills. The courses aim at enabling the learners to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help learners articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. They would also enable learners to acquaint themselves with the cultural and intellectual heritage of the chosen MIL and English language, as well as to provide a reflective understanding of the structure and complexity of the language/literature related to both the MIL and English language. The courses will also emphasize the development and enhancement of skills such as communication, and the ability to participate/conduct discussion and debate.

Vocational/ Skills Enhancement Courses (VSEC): These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of learners. The institution may design courses as per the learners' needs and available institutional resources.

Value-Education Courses (VEC)

1.Understanding India:
The course aims at enabling the learners to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among learner-teachers of the Indian knowledge systems, the Indian education system, and the roles and obligations of teachers to the nation in general and to the school/community/society. The course will attempt to deepen knowledge about and understanding of India's freedom struggle and of the values and ideals that it represented to develop an appreciation of the contributions made by people of all sections and regions of the country, and help learners understand and cherish the values enshrined in the Indian Constitution and to prepare them for their roles and responsibilities as effective citizens of a democratic society.

2. Environmental science/education:

The course seeks to equip learners with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change, and pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. The course will also deepen the knowledge and understanding of India's environment in its totality, its interactive processes, and its effects on the future quality of people's lives.

3. Digital and technological solutions:

Courses in cutting-edge areas that are fast gaining prominences, such as Artificial Intelligence (AI), 3-D machining, big data analysis, machine learning, drone technologies, and Deep learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.

4. Health & Wellness, Yoga education, sports, and fitness:

Course components relating to health and wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual, and environmental well-being of a person. Sports and fitness activities will be organized outside the regular institutional working hours. Yoga education would focus on preparing the learners physically and mentally for the integration of their physical, mental, and spiritual faculties, and equipping them with basic knowledge about one's personality, maintaining self-discipline and self-control, to learn to handle oneself well in all life situations. The focus of sports and fitness components of the courses will be on the improvement of physical fitness including the improvement of various components of physical and skills-related fitness like strength, speed, coordination, endurance, and flexibility; acquisition of sports skills including motor skills as well as basic movement skills relevant to a particular sport; improvement of tactical abilities; and improvement of mental abilities.

5.Research Project / Dissertation

Learners choosing a 4-Year bachelor's degree (Honours with Research) are required to take up research projects under the guidance of a faculty member. The learners are expected to complete the Research Project in the eighth semester. The research outcomes of their project work may be published in peer-reviewed journals or may be presented in conferences /seminars or may be patented.

Note: -

1. **Lectures will be conducted in hybrid mode.**
2. Students are required to carefully consider all aspects before selecting subjects, **as subjects once allotted will not be changed.**

3. Admission for any subject/paper will depend on the minimum number of students required to start a subject/paper.

4. FYBSC – IT/Biotechnology FYBCOM (Banking & Insurance) FYBCOM (Accountancy & Finance) FYBMM & FYBMS admissions will be as per the directions issued by University of Mumbai from time to time.

5. **For details regarding B.Voc. in Tourism & Hospitality, B.Sc. IT / Biotech, B.Com (Banking & Insurance Account), BMM & BMS please refer to the Prospectus of Self-Financing Courses**

❖ Career oriented / Job oriented Add on courses: Objectives

✪ To provide skills for self-employment or ready employability.
✪ To train students to suit the user industry requirement.
✪ To apply high technology methods of teaching and training.

✪ To establish an industry-curriculum interface for mutual advantage.

Admission can be sought at the First-Year level. Application for this stream shall be made separately, after securing admission in the respective General stream. Each course can admit only 30 students per batch. The selection of students will be made on merit, interview and resume. Once admitted, the students cannot change the specialization ordinarily.

The University has modified the Vocational Stream by converting the same into Certificate/Diploma/Advanced Diploma programme. These high utility courses, taught along with existing traditional subjects, have immense potential of developing specialized skills and knowledge of the students to improve their competencies. For Certificate/Diploma/Advanced Diploma courses available in the College refer to the respective section.

6: ADMISSION GUIDELINES & NORMS

❖ **ADMISSION GUIDELINES:**

Parents/students are requested to go through the Prospectus and the Guidelines and admission notices put up on the College Notice Board or college website before seeking admission in the College. Admission is as per merit and other norms as laid down by the Government or the Management, from time to time. The Principal reserves the right to amend/ modify the guidelines regarding the admission, as and when such amendments/modifications are received from the Government or the Management, as the case may be. The Principal also reserves the right to refuse admission in case such an admission, in his opinion, is likely to adversely affect the overall discipline in the college. Students are advised to follow the schedule of admission strictly and to write **permanent mobile numbers and Email id,** the same must not be changed during the course as communication from the college / university will be sent on the registered mobile number in the admission form. All students must mention the caste/ minority category they belong to, regardless of whether they avail of scholarship / freeship. This is a mandatory requirement of the university.

❖ **ADMISSION NORMS:**

  I.   FYBA/BCOM/BSc admissions will be as per the directions issued by the University from time to time and are subject to availability of seats in the College.
 II.   A candidate for being eligible for the admission to the three year integrated course leading to the Degree of Bachelor of Arts, Science or Commerce must have passed the Higher Secondary School Certificate (SYJC) Examination conducted by the Maharashtra State Board of Secondary & Higher Secondary Education, Mumbai or an examination recognized as equivalent with subjects, as may be specified by the University in Arts, Science or Commerce streams (as per eligibility criteria)

The Degree College conducts an annual Teacher Evaluation by Students. The feedback and evaluation scheme is conducted on the basis of a structured questionnaire which enables an analysis of certain important aspects of the teaching learning process, such as class control, command over the subject and the medium of instruction, presentation skills, use of interactive presentation, participation in extracurricular activities, etc.

❖ **Evaluation of Facilities by Students**: Annual evaluation of various facilities such as library, laboratory, canteens, Gymkhana etc. by students is also conducted by the college. A structured questionnaire is given to the students. Analysis and evaluation of the feedback enables the college to improve the facilities.

10: ACADEMIC CALENDAR

THE COLLEGE WILL FOLLOW THE GUIDELINES RECEIVED FROM THE UNIVERSITY GRANTS COMMISSION AND THE UNIVERSITY OF MUMBAI FOR ACADEMIC FUNCTIONING.

All dates will be published and be subject to directives of the University of Mumbai. Students are advised to check exact dates as and when they are displayed on the notice boards and the college website.

11: EXAMINATION PATTERN & COURSE WISE CREDITS DISTRIBUTION

Assessment and Evaluation Pattern
Under First Year UG and PG (except B.Voc) courses under (NEP 2020)
Academic Year 2025-2026

Scheme of Evaluations:

The scheme of evaluation consists of Continuous Internal Assessment (CIA) and Semester End Examination (SEE)

Continuous Internal Assessment (CIA)

It is defined as the assessment of the learner on the basis of continuous evaluation as envisaged in the credit-based system by way of participation of the learner in various academic and co-curricular activities in the respective semesters of the programme.

CIA (40%)	40 marks
One periodical class test	15 Marks
Assignment/group presentation/group or individual projects/debate/ model making/poster making / role play/case studies or any other creative mode of assessment	15 marks
Active participation in class instructional deliveries (APCID)	10 Marks

Semester End Examination (SEE) :
It is defined as the assessment of the learner on the basis of performance in the semester-end theory and application based / written examination.

Semester End Examination (60%) 2 Hours / $2^{1/2}$ Hours	60 Marks

Continuous Internal Assessment (CIA : 40 Marks)

1. There will be no retests for the CIAs.
2. A special CIA can be held by the departments, on instructions from the Principal, under the following conditions/circumstances:

a. If the Principal allows a learner to represent the College or to participate in an academic / cultural / sports event and this causes the learner to miss a class test of one or more courses.

b. If prior to or during a CIA, a learner experiences a serious illness, the same is supported by medical papers from an authorized medical expert and has been submitted to the College within two days & been verified by the College.

c. In case of a bereavement caused by the passing away of an immediate family member or a close relative. (Note: In this case, the Death Certificate of the departed OR the Parent's/Guardian's affirmation will have to be given to the College within 2 days of returning to the College).

Semester End Examination (SEE : 60 Marks)

1. Following is the evaluation pattern for the Semester End Examination according to NEP for First Year students applicable from 2025-2026.

SUBJECT	TOTAL MARKS	INTERNAL	EXTERNAL	MINIMUM MARKS		OVERALL PASSING	Duration (External Exam)
				INTERNAL	EXTERNAL		Hrs.
Major	100	40	60	16	24	40	2
Minor	100	40	60	16	12	40	2
VSC	100	40	60	16	12	40	2
SEC	100	40	60	16	12	40	2
OE	100	40	60	16	12	40	2
AEC	50	50	-	20	-	20	-
VEC	50	50	-	20	-	20	-
IKS	50	50	-	20	-	20	-
CC	50	50	-	20	-	20	-

2. If a learner fails to score minimum qualifying marks in CIA / SEE or both, the student will have to appear for the **"NEP Make-Up"** Examination in the subsequent semester.

3.The learner will be allowed to appear for the **"NEP Make-Up"** Examination for a maximum of three turns under the same syllabus.

4.The learner will have to appear under the then prevalent syllabus for the said subject after completion of three turns of **"NEP Make-Up"** Examination.

Additional Examination:

1.   Additional Examination for Semester End Examination will be conducted under the following circumstances:

➢ If the Principal allows a learner to represent the College or to participate in an academic / cultural / sports event that is held during the Semester End Examination. The intimation for the same shall be given prior to the examination through the Teacher in-charge.

➢ If a learner experiences a serious illness, the same is supported by medical papers from an authorized medical expert and have been submitted to the College within two days & been verified by the College.

➢ In case of a bereavement caused by a passing away of an immediate family member or a close relative. (Note: In this case the Death Certificate of the departed OR the Parent's/Guardian's affirmation will have to be given to the College within 2 days of returning to the College).

2. Additional examinations will be conducted after the completion of Semester End Examination.

3. The Learners will have to submit a separate application for the same.

4. The learner who do not register for the Additional Examination within the stipulated period will not be permitted to appear for the same.

Practical Examinations:

The Practical Component for every course includes the following points for evaluation:

1.All ill not be allowed to appear for practical examinations.

2.The learner is required to get 40% of the total marks for that practical course. Practical journals will have to be certified by the Faculty in charge and Head of the Department. Learner without certified journals will fail in the Practical component.

Passing Standards

1. The learner shall have to obtain a minimum of 40% marks (CIA and SEE) in examination to qualify for each course.

2. If a student gets F in CIA then the student will have to appear for NEP Make-up examination for CIA

3. If a student gets F in SEE then the student will have to appear for NEP Make-up examination for SEE

4. If a student gets F in CIA and SEE then the student will have to appear for NEP Make-up examinations for both SEE and CIA

Grading System:

0. A 10-Point Grade System is adopted – it involves calculations for a Semester Grade Point Average (SGPA) and the final Cumulative Grade Point Average (CGPA).

1. Mark sheets are issued per Semester & per Additional Examination.

Semester GPA/Program CGPA Semester/Program	% of Marks	Alpha-Sign/ Letter Grade Results

Note: Membership of activities/committees with * marks are open for students. They can select 3 or 4 activities based on interest and aptitude, by consulting respective Chairpersons.

❖ **STUDENTS' COUNCIL**

The Students' Council will be formed in accordance with the guidelines of Maharashtra University Act. The Council is then integrated with the Council formed for the Junior College, consisting of Divisional Representatives. One of the teachers is designated as working Coordinator. The Principal is the Chairman of the Students' Council. One of the students of the degree college will be elected/nominated as the General Secretary.

❖ **Kelkar Vaze Alumni Association**: The association of Vaze College Alumni, Kelkar Vaze Alumni Association, is an external appendage of the College. The executive committee has a Chairman; The Alumni are actively involved in showcasing projects, social work, and public relations. The college invites its alumni to register their details with the committee or the College office. Visit the college web site www.vazecollege.net.

In response to the request from some of the former students, it has been decided to accept their contribution and support for institutional development as well as towards

student/staff welfare endowments. Interested persons may contact the Principal.

❖ **Gymkhana:** The college Gymkhana is open to all the Degree and Junior College students of Vaze College. The timing of the Gymkhana is from 10.00 am to 5.00 pm. The Gymkhana is equipped with two table tennis tables, 10 carrom boards, 15 chess sets, and a full-fledged Gymnasium. The Gymkhana is also equipped with 50 lockers for students which is available on request basis. The college also has a separate Gymnasium for boys and girls which is equipped with a high tech treadmill, cycle and other fitness equipment. The Gymkhana is equipped with an international level Kabaddi mat which is used for team events. The Gymkhana invites students to participate in following team events for which a special coach is also appointed: Volleyball, Kho-Kho, Kabaddi, Cricket, Basketball, Ball badminton, Soft Ball, Base Ball, tennis, Shooting Ball, Football. Students who win medals at International, National, State and District levels are felicitated and awarded with certificates and trophies at the Annual Gymkhana Prize Distribution function. The college is equipped with a badminton court and sports ground.

❖ **National Service Scheme**: The College has an NSS Units for Degree & Junior College. Students, who are interested in doing social work, are welcome to join the college NSS Unit. The actual enrollment however will depend upon the University guidelines for Degree College & Education Department guidelines for Junior College

❖ **The G.D. Kelkar Skill Development Center and Finishing School**: The College has a Skill development center for Degree & Junior College. The center conducts various skill and ability enhancement courses pertaining to diverse domains. Interested students can enroll for the same as an when the admissions open.

❖ **Dimensions** is the manifestation of the spirit of Vaze College. This spirited journey began in 1994 and completed 30 years of this tradition. Dimensions is not merely an event; it is an experience that encapsulates the essence of our institution's values, diversity, and inclusivity. Dimensions offer students a unique opportunity to showcase their skills, unleash your creativity, and collaborate with fellow students. It provides a fertile ground for students to learn from each other, forge lifelong friendships, and create memories that will be cherished for years to come.

16: CAREER GUIDANCE, TRAINING AND PLACEMENT CELL (CGTPC)

❖ Career Guidance, Training and Placement Cell (CGTPC) is a student-centered activity. The committee provides guidance and assistance to students to achieve their career goals. More specifically, this activity group has a three-fold objective:

a) To provide information regarding opportunities for higher education in India and abroad, competitive examinations like GATE, CAT, GRE, GMAT, as such information can include TOEFL; job opportunities in India and abroad and opportunities for self-employment.

b) To organize training programmes to improve employability skills of the students. c) To

carry out campus placements.

The Junior College focuses more on career guidance programmes and the Degree College on training programmes and placement activities. Students are inducted into the volunteer's cell of the committee for smooth and timely exchange of information and for reaching out to the rest of the student community in the college. Students are also advised to read the CGPC notice board regularly.

All students of TY need to register with www.shreyas.ac.in as and when the link becomes active and after notification on the college website. SHREYAS is a scheme for skill enhancement and employability.

❖ **UPSC / MPSC Coaching Center:** Students are trained for UPSC / MPSC Preliminary Examinations. About 80 students from junior and degree college have registered. Topics such as Geography, History, Current Affairs, General science, Economics ,Law, English and Comprehension etc are covered. Both in-house and visiting Faculty are engaged in training the students. Lectures are held after College hours.

❖ **Canteen:** The college canteen is managed by the SMAF. Most of the items are offered at affordable prices. The SMAF committee, in consultation with the Principal, decides any change in the prices.

❖ **Special Cell:** According to the university a Special Cell has been constituted to resolve any problem of students of reserved category (SC/ST/OBC/VJ/NT).
