Subject: Extension of Date for Makeup Examination Form Submission

With reference to VC/2025-26/Exam-D/NT/58/28-04, this is to inform all students who are experiencing technical difficulties while filling out the Makeup Examination forms that the software issues are currently being addressed.

Affected students are advised to wait for the next 7 days, up to 15 May 2026 while the system is being updated and resolved. You will be able to complete your form submission and online fee payment smoothly after this period.

In light of these technical glitches, the deadline for filling out the examination forms and the payment of fees has been extended up to May 30, 2026.
